

## ADVENTURE NATOMAS OUTDOOR SERVICE SAFETY GUIDELINES

- Our outdoor service will be at 10:30 a.m. in the church parking lot on Sunday's. In addition, we will continue to provide a live streamed online service every Sunday at 9:00 a.m. and 10:30 a.m.
- A reservation is required for ALL adult and child attendees. Each family household unit will be asked to sit together, including younger children or older students not attending Adventure Zone for Kindergarten through 5th grade.
- Adventure Zone will be offering a socially distanced outdoor children's service for Kindergarten through 5th grade students only. Attendance is extremely limited to make sure we can adhere to all public health guidelines, so a reservation for all students is required. We will not be accepting students on Sunday morning without a reservation.
- Parking will be available in the parking lot directly next to Adventure. Our main driveway will be closed off in order to minimize the traffic near our Adventure Zone area. Please follow all directional signs when arriving. Also, check out our maps below to see the flow of traffic and where parking will be located, including handicap parking.
- All attendees must check-in at the registration table to confirm reservations. Please do not enter the service area without checking in first.
- All attendees are asked to self check for COVID symptoms. Please stay home and watch the livestream if you are not feeling well.
- Our parking lot will be marked with socially distanced circles. Every family unit will be able to have their own circle. Please bring your own chair for each family member. We will have extras on site if needed.
- Masks will be required for all attendees unless they are seated within their family's circle. Please wear a mask as you move around the campus.
- We are offering a contactless experience by ensuring communion is individually packaged and placed on a table for you to grab and take with you to your circle. We will also have all Sunday morning resources available on our website so you can access song lyrics, sermon notes, connect cards, and prayer cards.
- Our Shepherd's Ministry Team will be on-site to provide added safety and security.
- Our Guest Services Team will be available to check you in and answer any questions you might have.
- We kindly ask that no pets are brought to the outdoor services unless they are a service animal.
- Services outside will be canceled if the Air Quality Index is 150 or higher on a Sunday morning, if it is raining, or if conditions prohibit an engaging experience.
